№ 04/37-16

**Embassy of Republic of  
Turkey in Turkmenistan**

The Chamber of Commerce and Industry of Turkmenistan presents its best compliments and hereby would like to inform that in the framework of the Caspian Economic Forum, which will be held on August 12, 2019 in Turkmenistan on the proposal adopted at the 5th Summit of the Heads of the Caspian States, on August 11-12, 2019 in Touristic zone “Avaza” is planning to hold the Caspian Innovative Technologies Exhibition.

The exhibition will become a center for establishing the business contacts and to familiarize with new technologies, services and solutions in various areas of the economy, including the fuel and energy sector, transport and logistics, industry, trade, tourism and many other areas.

In this regard, we kindly request you to assist in the dissemination of information about the upcoming event among interested organizations, enterprises and companies, as well as in the organization of the national stand.

The exposition of your country at the exhibition will be a good opportunity to conduct business negotiations, discuss new areas of cooperation, exchange of experience on the effective use of new digital technologies not only with the business community of Turkmenistan, but also for the whole region.

We also request you to assist in providing the contacts with authorized persons or operators of your side to promptly resolve issues regarding the preparation and holding of the above-mentioned exhibition.

For its part, the Chamber of Commerce and Industry will provide comprehensive support and services, including visa support, hotel reservations, stand construction, customs clearance of exhibition cargo, etc., so that the event will be held at a high organizational level.
